

# Retailers' [ Code of Conduct ]

As an authorized retailer or retailer employee, I understand the important role I play in lottery sale operations. I agree to completely familiarize myself with the Code of Conduct and to comply with its conditions and in so doing, support Loto-Québec in its commitment to demonstrate integrity and respect and assume its social responsibility.

## Integrity and transparency

- I agree to follow Loto-Québec's procedures and directives, in particular the conditions related to the sale and validation of lottery tickets as well as prize payments.
- I will report all lost lottery tickets belonging to consumers to the Loto-Québec Retailer Assistance Line.
- I agree to never modify or alter lottery products and gaming equipment belonging to Loto-Québec and to immediately report any equipment failure to Loto-Québec's Hot Line.
- I agree to leave the terminal consumer display connected and turned on. I will also, at all times, position the display in full view of clients doing transactions at the lottery cash register.
- I agree to pay prizes that are within the authorized payment limit and otherwise never exceed the limit.
- I will identify myself as a Loto-Québec retailer or retailer employee whenever I claim a prize or share of a prize worth more than \$600 and I will complete the questionnaire to that effect.
- I will collaborate with all investigations made by Loto-Québec investigators and I will provide all relevant information required.
- I agree to follow or have one or more of my employees follow the basic training developed and provided by Loto-Québec that is available through the game terminal or on the Internet.
- I agree to register all employees who sell lottery products and have them follow annual mandatory training developed and provided by Loto-Québec that is available through the game terminal or on the Internet.

## Respect

- I will maintain a respectful service to clients who purchase lottery products and will at all times provide them with adequate help.
- I will validate tickets even if the consumer has not already checked them with the ticket checker.
- I will make game rules available for viewing by the public and will inform them about current policies and procedures.
- At no time will I conduct myself in a way that is contrary to public interest or harmful to the integrity or reputation of Loto-Québec.
- I will ensure that consumers have signed their lottery tickets before validating them.

## Social Responsibility

- I will not sell any lottery tickets nor pay any prize to minors and will display Loto-Québec publicity to this effect. I will require clients appearing to be under the age of 25 to present photo I.D. proof of age.
- I will make Loto-Québec information on responsible gaming available to consumers.

**I acknowledge that failure to comply with the above-stipulated conditions could result in progressive administrative sanctions, as indicated on the back of this Code.**
